Welcome! You have a new patient appointment with me on:

Date: _____ **Time:** _____

Please fill out the enclosed forms to the best of your ability and bring them with you. They will give me the information and history I need to make the best evaluation of your health needs. The charge for this initial examination is \$300.00, plus \$6.00 for health care tax = **\$306.00. Plan 1 ½ to 2 hours** for the appointment. Regular office visits are **\$100.00** for 45 minutes to one hour, plus tax. Frequency Specific Microcurrent treatments are **\$1.00 per minute** and typical treatments take 45 – 60 minutes. If we decide to use nutritional supplements for your condition, they are additional. **I accept cash and checks, but not credit cards at this time.** Muscle testing is the most accurate when you are well hydrated, so please drink a few glasses of water before you come in. Filtered water is always available at the office.

Please don't arrive early as I won't be ready for you.

Directions: You have options!

I am located between Highway 494 and Crosstown 62, one block east of Penn Ave. You can exit off of 494 on Penn Ave., (which is about 78th and Penn) and go north to the stoplight at W. 69th St. Turn right and go past Oliver Ave. S., turn into the first driveway on your right, which is behind my house, and park on one side or the other of the driveway.

You can also exit off Crosstown 62 onto Penn Ave., (which is 62nd and Penn). Go south to 69th St., take a left onto 69th St, traveling east. Go past Oliver Ave. S., and turn right into the first driveway, which is behind my house. Please park on one side or the other of the driveway.

You can also exit off of 35W on 66th St. exit. Go west to Penn Ave. Go south to 69th St. Turn left onto 69th St., traveling east. Go past Oliver Ave. S., and turn into the first driveway on your right.

If there's a car in the driveway, please wait for the previous patient to come out – then come up the walkway to the back door, which is my business entrance.

I look forward to meeting with you!
